

## Sandos Playacar Resort & Spa

At the heart of the Mayan Riviera, a protected area which still contains many traces of the fascinating Mayan civilización. A mystical culture which reached up from the land and the sea in the form of stepped pyramids to try to touch their gods.

The Sandos Playacar Resort & Spa blends seamlessly into the local scenery, recreating a typical Mexican Hacienda. It is also strategically positioned a short distance from the archaeological sites of Tulúm and Cobá and the ecological water parks of Xcaret and Xel-Ha, offering the ideal opportunity to combine culture and fun in an incomparable setting.

Our new expansion to the hotel forms part of Sandos Playacar Beach Resort & Spa. It is situated in the well-known residential area of Playacar, very close to a beautiful white sandy beach and right beside Sandos Playacar Beach Resort & Spa. It is also not far from the Playa del Carmen and its majestic Quinta Avenida, where the port of embarkation for Cozumel is to be found. Furthermore, it is only 45 minutes from Cancún International Airport.

The style of the hotel enables our guests to enjoy surroundings of superb luxury and comfort with that Caribbean touch which makes it something extra special. Here you can enjoy excellent service with everything included, as well as impressive amenities including the magnificent tropical gardens, a 24-hour service with personal treatment provided by our staff, plus our wide selection of liqueurs, wines and cocktails.
